Raiders Face Inexperience And Injuries, Lose 3, Win 1

Last week the Appomattox County Raiders were forced to play four away games. Results are as follows: Liberty-6, Appomattox 0; Nelson - 2, Appomattox -0; Altavisita - 9, Appomattox - 5; Appomattox 14, Gretna - 13.

In the game against Gretna, the Raiders scored 12 runs in the last two innings to beat the Hawks. David Bohannon hit a grand slam to help win the game, but is now expected to be out for the season with a hairline fracture in his wrist. Also, Danny Hix had a knee injury and is not a sure starter in the next game.

The Appomattox Raiders play two home games this week on Thursday and Friday. They need your support as they have been working hard even though the weather and a busy schedule has been against them.

Middle School SCA Meeting

Tamara Nash, Secretary, called the roll and called for old business. We discussed the plaque we were hanging in the gym in the honor of Coach James Eckhardt. We talked about how much it would cost. We decided to let Donald Parris be in charge of buying the plaque. Then we discussed the 1975-76 SCA officers. We picked an election committee to meet on their kinds of nights to discuss the elections. We discussed that everyone who wanted to run for election has to write an essay on why he or she wants to be an officer in the SCA.

The last thing we discussed was the 50's day. We discussed on having the 50's day on May 2. We also elected a committee for the 50's day.

USDA Proposes Changes In Tobacco Loan

Proposals concerning the 1975 Tobacco Pride Support Program were announced March 17 by the U. S. Department of Agriculture (USDA).

The proposals include two changes with respect to eligibility of tobacco for price support. 1. As a condition of eligibility, producers will be required to certify that they have not used pesticide products containing toxaphene and endrine as well and DDT and TDE on the 1975 tobacco crops. Previously, the required certifications have not included toxaphene and endrin. 2. Flue-cured tobacco producers will not be required to certify their planted acreage, as they were under past programs.

As required by law, price support will be made available on the 1975 crop of various kinds of eligible tobacco at levels about 12 percent higher than last year. Under the proposals announced the method of supporting tobacco will continue to be through loans on all eligible kinds of tobacco made to producer associations and through purchase of Puerto Rican Tobacco.

Comments regarding the proposed changes will be considered if submitted in writing by April 18, 1975, to the Director, Tobacco and Peanut Division, Agricultural Stabilization and Conservation Service, USDA, Washington, D. C. 20250. The comments will be available for public inspection.

Lions Hear About Proposed County Zoning Ordinance

J. A. Smith, County Extension Agent, left above, is shown talking with Richard J. Shaklik of the Central Virginia Planning District Commission after the meeting of the Lions Club last Thursday night. The CVPDC was used as resource people in making the plan.

When the Lions Club met at the Parkway Restaurant last Thursday, Jim Smith, Appomattox County Extension Agent, presented a program on the proposed Appomattox County Zoning Ordinance.

Smith told the group that the purpose of the Ordinance has been designed to provide for adequate light, air, convenience of access, and safety from flood and other dangers; to reduce or prevent congestion in the public streets; to facilitate the creation of a convenient, attractive, and harmonious community; to expedite the provision of adequate police and fire protection, disaster, evacuation, civil defense, transportation, water, sewerage, schools, parks, forest, play grounds, recreational facilities, airports, and other public requirements; to protect against destruction of or encroachment upon historical areas; to protect against one or more of the following: overcrowding of land, undue density of population, obstruction of light and air, danger and congestion in travel and transportation or loss of life, health, or property from fire, flood panic, or other dangers; and to encourage economic development activities that provide desirable employment and enlarge the tax base.

The proposed zoning ordinance will include Agricultural Districts, Residential Districts, two Historic Districts, clarify the B-1 Business District and the B-2 Business District, Industrial Districts, Airport Hazard District, and Flood Hazard District.

Mr. Smith has conducted several informational meetings concerning the proposed zoning ordinance. The last in the series will be held at the new Appomattox County High School on April 18 at 7:30 p.m. All interested persons should attend this meeting. If you have questions, they will be answered if at all possible.

After the informational meetings are concluded, the Planning Commission and the Board of Supervisors will conduct a Public Hearing.

Named Sailor Of The Year

Appomattox native, Aviation Storekeeper First Class (AK1) Thomas C. Haskins has been named Sailor of the Year at the Naval Air Reserve Unit (NARU), Norfolk, Va. and nominated to represent the naval reserve community in the Chief of Naval Operations' Sailor of the Year competition.

AK1 Haskins' outstanding performance has been officially recognized on four previous occasions. He was twice selected Sailor of the Month while attached to the NAS Norfolk Supply Department, and in October 1972 was chosen the NAS Norfolk Sailor of the Month. More recently, he was the Naval Air Reserve Norfolk Sailor of the Quarter.

Petty Officer Haskins, son of Mr. and Mrs. Anderson Haskins of Appomattox, is married to the former Barbara Jean Reed of Concord, Va. They have two daughters, Lynette and Tina. Mrs. Haskins is a teacher at the Concord Elementary School, Concord, Va.

FFA Teams Will Compete

First place Future Farmers of America parliamentary procedure teams from each of the five sub-regions in Southside Virginia will compete for the area championship Saturday, April 19, at Randolph-Henry High School.

Parliamentary procedure competition is a FFA leadership training activity. It includes demonstrating ceremonies for opening and closing meetings, and solving a parliamentary problem extemporaneously. Each team is composed of seven FFA members and an advisor.

The winner of the contest Saturday will represent the fourteen county Southside Area in the state finals, May 10, at Brookville High School.

L. A. Starling, instructor of agricultural education in the Randolph-Henry High School is in charge of arrangements for the contest.

The Amherst - Appomattox - Campbell Federation will be represented by the Apomattox County FFA team.

Jaywalking

Jaywalking is a major cause of pedestrian injuries and fatalities in Virginia.

"Crossing streets only at corners is a basic safety rule that all too often is ignored by pedestrians," according to John T. Hanna, director, Highway Safety Division of Virginia. "During 1973, some 75 pedestrians were killed and another 827 injured while crossing streets not at an intersection.

"Unfortunately, the worst offenders of any pedestrian safety rule are between 15-64 years of age, those old enough to realize the importance of respecting safety rules."

In 1973, the last year for which complete statistics are available, a total of 166 pedestrians in the 15-64 age bracket were killed and another 1,052 injured, the highest of any age bracket.

$36,065 RAISED BY UMCOR

RICHMOND - The first six week of a United Methodist campaign to raise funds in Virginia to help combat world hunger have produced offerings of $26,065.

Bishop W. Kenneth Goodson in mid-February called on United Methodists in Virginia to forego at least one meal a week and contribute the money saved to be used by the United Methodist Committe on Relief (UMCOR). The top priority assigned by UMCOR was the establishment of a fertilizer bank in India.

While gratified at the early results of the campaign, Conference officials are hopeful that post-Lenten receipts will greatly swell the fund. Many congregations had already launched special lenten appeals when the hunger campaign was announced and have made plans to begin their participation later in the spring.

Mr. Edward T. Hapgood, President of C. B. Fleet, Company in Lynchburg and a member of the Board of Trustees of the Virginia Council on Health and Medical Care, will represent the Va. Council. The Rev. Marvin Gold, Chaplain of the Virginia Baptist Hospital, will deliver the invocation.

The public is invited and encouraged to attend the Forum which will adjourn at 12:30 p.m.

Mrs. R. K. Martin of Pamplin is chairman of the forum.
